Allowable Subject Matter

1. Applicant's remarks and amendment are persuasive. Claims 2-4, 6-27, 29-39 and 41-44 are allowed. The following is an examiner's statement of reasons for allowance: the prior art of record fails to suggest an obvious combination of a platform having an adjustable hub comprising a flexible connector and a tilt adjuster movably coupled thereto where the adjuster is disposed about the connector, and where a first end of the hub is coupled to the base and a second end is coupled to a board where the hub is movable to enable the board to tilt in any direction as recited in claim 4; further including the connector comprising a flexible material and a plate embedded in the flexible material where the plate has at least one post extending therefrom as recited in claim 9; and further including a friction reducer interposed between the board and the hub as recited in the remaining independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to L Amerson whose telephone number is (571) 272-4971. The examiner can normally be reached on Mon.-Fri from 9-6 p.m. Interviews Tue. and Thur..
